

REMARKS

THE CLAIMS

Claims 2, 5-11 and 13-14 were active in this application, and have been canceled, and claims 15-31 added hereby. Accordingly, claims 15-31 remain pending in this case. Consideration and allowance of the pending claim is requested.

THE SPECIFICATION

The specification has been amended to place it in proper U.S. form and to correct some grammatical errors. Marked-up and clean copies of a substitute specification are provided with this amendment.

THE ABSTRACT

The abstract of the disclosure has been amended to place it in proper US form. It has been included in the substitute specification attached herewith.

THE AMENDMENTS

The amendments to the specification, abstract and claims are fully supported by the specification as filed and by the original claims. No objectionable new matter is believed to have been introduced by these amendments.

In view of the above amendments and remarks, this application is believed to be in condition for examination on the merits and allowance. Early notice to that effect is solicited.

Respectfully submitted,
